Presskit | Brigade

Biography

It's your new favourite Boyband Brigade!

Brigade is without a doubt the most idiosyncratic feature of the Keller Family's musical universe. Their long-fingered sound snatches the best from disco, punk-funk, italo and no-wave, and it's cheeky with its weird drummachine-grooves and synth solos. They themselves called it Potato Disco, so the tone is set. Held together by cigarettes, gas-station snacks and an undying love for Gigi D'Agostino, Brigade is back on the road, hitting every dog and pony show from Sisyphos to Fusion Festival and all over Europe. Chances are if you are out this summer, and catch a set where there's two guys elevating behind drum machines whilst playing solos on a golden keytar, it's them.

Don't sleep on this duo and dance the shuffle like the true Brandenburg kartoffel you are.
