Presskit | AVEM

Biography

Emerging from the depths of blurry nightlife, AVEM's signature sound can best be described as textured, driving and passionate. Growing alongside Basel-based imprint LOKD, the Swiss producer, DJ and live act has had a significant impact on Electronica in the past years; the newly emerging Downtempo scene in particular. Spearheading a novel sound with his fellow label-heads Arutani and Dandara, AVEM's compositions and performances have been steadily evolving ever since.

Next to his DJ-shows, the young artist has been performing concert-like live sets since 2018, premiering at **Mira's** birthday at Kater Blau. Past highlights include shows at various festivals, but also cities like Vienna, Berlin, Brussels and New York City – among many others.

For DJ-Sets, announce the Artist as: **AVEM (LOKD, Laut & Luise | Basel)**
for Live sets, announce the Artist as: **AVEM live (LOKD, Laut & Luise | Basel)**
