Presskit | Gina Sabatini

Biography

Coming from a diverse musical background, Gina's passion has always been the dancefloor. Being a passionate dancer before she started DJing in Berlin, she then immersed herself in growing a loyal wide audience and keeping listeners in many sweet places engaged with her aesthetic on the slower side of underground dance music. Gina is telling melodic deep stories and her devotion to the music speaks through her captivating and powerful sets.

It's all about the groove when she's dropping some low-tempo-deep-house-joints. After 10 years in Germany's capital, Gina moved to her new adopted city Leipzig to start a club project with two of her best friends - **ost:end** is the lived utopia of many different cultural workers, curators, producers and DJs.

What started as an idea for a club is now a record label, a booking agency and an event collective with an incredible output. Whether it's sets, releases, live talks or events – the **ost:end** shapes Leipzig's club culture like hardly any other collective.
